

It's fun to share
the things you love.

That includes your dentists.

With our "Refer-A-Friend" program, **BOTH** you and your referral receive a \$25 gift card of your choice!

We'd like to say "thank you" for your kind referrals of family and friends to our practice. So, for a limited time, you'll receive a \$25 gift card of your choice each time you refer a new patient to our practice.* That's **EACH** new patient. Find a mom and dad with 10 kids, and you've got yourself

a dozen gift cards! In addition, the person you refer will also receive a \$25 gift card at the conclusion of their first visit.* It's a win/win/win proposition! You win, your friend or family member wins, and our practice wins a new, satisfied, long-term patient! Hey, what could be more fun?
